Yeah. 6 OFFICER HARRISON: You did? 7 MANUEL MORALES, JR.: Uh-hmm. 8 MARLENA DANIELS: We were eating. 9 OFFICER JOHNSON: Real quick, before 10 you say anything, is anybody else in there? 11 MARLENA DANIELS: We were all in 12 there. 13 JACK ISAACS: I have settled him 14 down. 15 OFFICER JOHNSON: It's okay. 16 (Ongoing background conversation.) 17 MANUEL MORALES, JR.: Did they inform 18 you he has Huntington's and the whole -- 19 OFFICER HARRISON: No. 20 MANUEL MORALES, JR.: It's a 21 (inaudible). So that's the only reason I'm -- I 22 wanted to talk to you guys real quick, is just to 23 get that out right away. He has the Huntington's. 24 It comes with a lot of baggage. He is 25 hyperaggressive.</p>
<p>2 1 OFFICER HARRISON: I don't know if 2 you heard or saw I -- he was threatening 43-1. I 3 requested ECIT, MCT. 4 OFFICER JOHNSON: I -- I'm 5 (inaudible). 6 OFFICER HARRISON: Oh. 7 OFFICER JOHNSON: I'm taking 8 (inaudible). 9 OFFICER HARRISON: Yeah. (Inaudible) 10 I said, I know it's a long shot, but . . . 11 OFFICER JOHNSON: No, man. I can 12 usually (inaudible). So (inaudible). 13 Hi, guys. 14 MANUEL MORALES, JR.: How's it going? 15 (Inaudible). 16 (Inaudible conversations.) 17 OFFICER JOHNSON: Hi. Let me 18 (inaudible). 19 OFFICER HARRISON: You guys didn't 20 witness anything, did you? 21 MANUEL MORALES, JR.: No, sir. 22 (Inaudible) home. We (inaudible) -- we were just 23 trying not to be in the house. 24 OFFICER HARRISON: No, no, no. 25 That's fine. That's fine, no.</p>	<p>4 1 OFFICER JOHNSON: I'm not familiar 2 with that. 3 MANUEL MORALES, JR.: Yeah, so 4 it's -- it's a disorder, and it messes with your 5 nerves. 6 OFFICER HARRISON: Um-hmm. 7 MANUEL MORALES, JR.: But after that 8 comes -- it starts -- when it gets to your brain, he 9 is going to be -- 10 I'm -- I'm okay. 11 OFFICER HARRISON: Any weapons 12 inside? 13 MANUEL MORALES, JR.: No, they 14 shouldn't -- we should (inaudible) -- no. 15 OFFICER HARRISON: Okay. 16 MANUEL MORALES, JR.: We -- we -- 17 we're pretty good (inaudible). 18 OFFICER HARRISON: Okay. 19 MANUEL MORALES, JR.: I just wanted 20 to put that out to you. 21 OFFICER HARRISON: Okay. We 22 appreciate it. Thank you. (Inaudible). 23 MANUEL MORALES, JR.: And -- and 24 if -- preferably, I have a feeling these -- 25 DEBBIE MORALES: He's not going to</p>

<p>9</p> <p>1 make decisions for him medically?</p> <p>2 DEBBIE MORALEZ: Well, I don't have</p> <p>3 medical power of attorney. I have --</p> <p>4 OFFICER HARRISON: Okay. So I was</p> <p>5 going to say, then, you could.</p> <p>6 DEBBIE MORALEZ: I have power of</p> <p>7 attorney to do all of his paperwork.</p> <p>8 OFFICER HARRISON: Financial and</p> <p>9 stuff like that?</p> <p>10 DEBBIE MORALEZ: Finances and stuff,</p> <p>11 but not medical.</p> <p>12 OFFICER HARRISON: So another thing,</p> <p>13 you might want to see if you can get a medical power</p> <p>14 of attorney. Because even if he's telling us he</p> <p>15 doesn't want to go and if you want him to go, we can</p> <p>16 still make him go with that.</p> <p>17 DEBBIE MORALEZ: Yeah, that has to go</p> <p>18 through court, though.</p> <p>19 OFFICER HARRISON: Right, yes.</p> <p>20 JACK ISAACS: And even if he's a</p> <p>21 danger to himself?</p> <p>22 OFFICER HARRISON: Well, that's what</p> <p>23 I'm saying. You have to --</p> <p>24 JACK ISAACS: Because he's a danger</p> <p>25 to himself.</p>	<p>11</p> <p>1 OFFICER HARRISON: And you would hate</p> <p>2 to charge somebody and -- and try to sit them in</p> <p>3 jail when they need psychiatric treatment.</p> <p>4 RUTH ISAACS: Exactly. I understand</p> <p>5 that.</p> <p>6 JACK ISAACS: In the wrong place.</p> <p>7 RUTH ISAACS: Yeah.</p> <p>8 JACK ISAACS: Yeah.</p> <p>9 RUTH ISAACS: I understand that.</p> <p>10 JACK ISAACS: You're not solving a</p> <p>11 problem. You're making it worse.</p> <p>12 OFFICER HARRISON: Yes --</p> <p>13 JACK ISAACS: Yeah.</p> <p>14 OFFICER HARRISON: -- in a sense.</p> <p>15 JACK ISAACS: Because he's going to</p> <p>16 go over there to MDC and beat somebody over there</p> <p>17 and then get another charge.</p> <p>18 OFFICER HARRISON: Yeah.</p> <p>19 JACK ISAACS: Yeah.</p> <p>20 OFFICER HARRISON: And we</p> <p>21 definitely don't --</p> <p>22 JACK ISAACS: We're -- we're hoping</p> <p>23 he would go to the mental health over here.</p> <p>24 OFFICER HARRISON: Yeah.</p> <p>25 JACK ISAACS: That's where -- that's</p>
<p>10</p> <p>1 OFFICER HARRISON: If -- if we talk</p> <p>2 to him and if we feel like that it's a -- a danger</p> <p>3 to himself or somebody else, then, yes, we'll take</p> <p>4 him. But if we're not getting that from him --</p> <p>5 JACK ISAACS: That's his favorite</p> <p>6 word.</p> <p>7 OFFICER HARRISON: What's that?</p> <p>8 JACK ISAACS: "I'll kill myself."</p> <p>9 OFFICER HARRISON: Okay.</p> <p>10 DEBBIE MORALEZ: Yeah.</p> <p>11 RUTH ISAACS: If -- I was going to</p> <p>12 ask another question like if there was several of us</p> <p>13 around when he attacked his dad, that doesn't</p> <p>14 matter?</p> <p>15 OFFICER HARRISON: Well, so it's --</p> <p>16 it's hard for mentally ill people.</p> <p>17 MARLENA DANIELS: Yeah.</p> <p>18 OFFICER HARRISON: Because it's hard</p> <p>19 to say if it's their mental illness that's affecting</p> <p>20 them to do this, to be physically aggressive.</p> <p>21 JACK ISAACS: Then they changed his</p> <p>22 medications, so --</p> <p>23 OFFICER HARRISON: Okay.</p> <p>24 JACK ISAACS: -- that might</p> <p>25 (inaudible).</p>	<p>12</p> <p>1 where he usually goes.</p> <p>2 OFFICER HARRISON: If -- if</p> <p>3 everything goes well, hopefully, we can convince him</p> <p>4 to go.</p> <p>5 MANUEL MORALEZ, JR.: Yeah, it's --</p> <p>6 he needs to be there.</p> <p>7 OFFICER HARRISON: Does he have</p> <p>8 anything else mentally going on? Does he have like</p> <p>9 difficulty breathing? Anything with heart?</p> <p>10 JACK ISAACS: No. He's pretty</p> <p>11 healthy.</p> <p>12 OFFICER HARRISON: Okay.</p> <p>13 MANUEL MORALEZ, JR.: Yeah, he's --</p> <p>14 he physically is --</p> <p>15 JACK ISAACS: Just mental.</p> <p>16 RUTH ISAACS: Yeah.</p> <p>17 JACK ISAACS: Oh, yeah, he's strong</p> <p>18 as a bull.</p> <p>19 OFFICER HARRISON: Um-hmm, okay.</p> <p>20 JACK ISAACS: He used to lift</p> <p>21 weights, so -- you know. And baseball player, so</p> <p>22 he's pretty strong.</p> <p>23 OFFICER HARRISON: How old is he?</p> <p>24 RUTH ISAACS: 40.</p> <p>25 JACK ISAACS: 42.</p>
